Warranty Information

Thank you for purchasing this De'Longhi product. Your product is warranted against faults and manufacture when used in normal domestic use for the period stated below.

In non-domestic use, De'Longhi limits the voluntary warranty to 6 months on all products (excluding De'Longhi Fully Automatic Coffee Machines).

We undertake to repair or replace your product at no charge if found to be defective due to a manufacturing fault during the warranty period. The warranty excludes damage caused by misuse, neglect, shipping accident, incorrect installation, or work carried out by anyone other than an authorised De'Longhi after-sales service representative.

Please keep your receipt as this will authenticate your warranty.

The benefits to you given by this warranty are in addition to other rights and remedies available to you under a law in relation to the goods or services to which this warranty relates. Please contact our team or visit the De'Longhi website for further information on warranty terms. In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. In New Zealand this warranty is additional to the conditions and guarantees of the Consumers Guarantee Act (1993). For information about how you can validly claim a warranty, go to delonghi.com
